Technical production

Service	Includes	Price	Reference
Sound system	Transport, setup, dismantling and technical service included.	€800	—
Lighting	Configuration tailored to the event's needs and the venue.	From €400 to €900	—
Sound system — solo format	Sound system for the singer-guitarist option.	€300	—

Important note: Lighting and any additional sound reinforcement can be adjusted according to the venue's layout and characteristics. For rumba concerts, sound costs €800 including equipment and technical service; if the venue provides its own sound system, the sound technician service is €300. Lighting is not included. A technical site visit helps define the most suitable setup.
